The image features a woman's face centered in the frame. Overlaid on her face is a white wireframe mesh representing facial recognition points. In the top left corner, there are technical graphics including a ruler, a 'DATA' label with a cursor, a waveform, and a circular target. In the top right corner, there is a list of identification data. The background is a solid blue color with green horizontal bars on the left and right sides.

# ACCESS CONTROL SYSTEM

NO: ONE PERSON  
GENDER: FEMALE  
AGE GROUP: YOUNG WOMEN  
ETHNICITY: CAUCASIAN

- SMART CAMERA

### SMART LIGHTING

- SENSOR LED TUBE LIGHT
- SENSOR STREET LIGHT
- SENSOR PANEL LIGHTS

### SMART SENSORS

- MICROWAVE MOTION SENSORS
- PIR MOTION SENSORS
- DAYLIGHT CONTROL SENSOR (PHOTOCELL)
- WARDROBE CABINET SENSOR

# Home Automation

Affordable & professional smart home system

Professional smart home security solutions

Privacy Protection & Account security

Bandwidth saving & stable connection

Real-time Two way communication Test

Energy Efficient

Wireless Network

High Performance Price Ratio

Flexible Kit selection

## Microwave sensors

- A microwave sensor is an electronic device that detects motion, and uses this information to automatically control systems like lighting, fans and more.

## PIR sensors

- "Passive Infrared Sensor" also known as PIR Motion Sensor is the kind of sensor that detects motion on the basis of change in temperature (heat energy) caused by the movement of a human body.

# Intelligent Camera

## 2Mp Intelligent HD Camera (AHD / HD-TVI / CVI / CVBS)

This Intelligent HD camera is built in temperature, humidity, and smoke sensor in the camera which will be strong marketing point in the market through differentiation and competitive.

### Configuration

Coaxial Cable

- \* Temperature
- \* Humidity
- \* Smoke

Event Detection

- \* Display POP-UP
- \* Alarm buzzer
- \* Mobile phone

# Intelligent Camera

Camera 1 2 3 4

Use ☒

|             | Minimum | Current  | Maximum |             |
|-------------|---------|----------|---------|-------------|
| Temperature | 0       | 25.7 °C  | 30      | (-42 ~ 120) |
| Humidity    | 0       | 36.8 %   | 30      | (0 ~ 99)    |
| Smoke       | 0       | 15 ug/m³ | 300     | (0 ~ 500)   |

OSD: Upper Right

Popup: Main

Alarm out: Button

Duration: 5 sec

Status: Normal

In case of using our DVR : Recommended, same as CCTV connection.

You can set the event (Temperature / Humidity /Smoke ) as you want through the **DVR OSD menu**.

In case of using your DVR : You have to connect through Sensor Alarm in/out between DVR and Camera.  
After that, you have to set the event setting through the **Camera OSD menu**.

## Applications

# AYMEET VIDEO CONFERENCING HARDWARE

Flexible System Capability

chrome

Support VC Software List

[www.aymeet.com](http://www.aymeet.com)

# Video Conference Hardware

Full Range of HD video camera to meet different application

Specialist on USB video conference cameras & Audio Devices

Full range of video cameras & Audio devices to meet different applications.

Flexible system Capabilities Support

major VC software Brand

Wide Industry Application in telemedicine, corporate, education and banking.

Adapt to Cloud Collaboration Trend, Plug & Play Solution

# AYMEET VC Benefits

Enterprise grade security

No installation/download

Intuitive UX

Large volume broadcast support

Low bandwidth conference support (Min 60kbps)

Continuous presence up to 40 streams

4K support

Room based meeting organiser

Multi-display support

API integration with any exiting platforms

Collaborative tools (Chat, File sharing, Screen/ Application/Tab sharing, whiteboard, etc)

Multi device/OS support

Could/On-premise deployment, etc

# Banking Industry Solution

## People Flow Control Solution

### Real-time display numbers

Display inside person numbers and available enter person numbers

### Automatic alarm when person too crowded

When available person numbers is 0, the system will automatic alarm

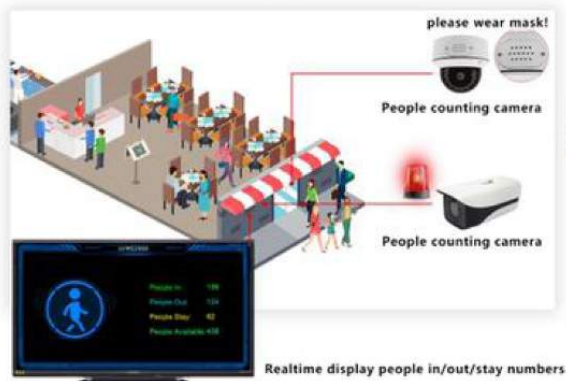

### Real-time display video and counting people quantities

Directly to check real time video ,and easy to do config on SVM5

### Easy and rapid deployment

Rapid to install, easy to use, high security monitoring, suit for all scenes

## People counting camera

- Super backlight human detect technology to meet use for all scenes;
- Accuracy to update and display real-time person numbers;
- Camera easy and rapid to deployment, hanging or wall install are available.

### Applications:

# Hospitality Industry Solution

## Body Worn Camera

### BODY CAMERA

BUILT-IN GPS (REAL TIME LOCATION SHARING)

SUPPORT REMOTE LIVE VIEW
