AYRUS

Surveillance Beyond Imagination

Product Segments

CCTV Advanced Smart Tech

Ongoing expansion of a full range of surveillance product and complete solution. Integrated with major NVR solutions. Fully advanced and expandable VMS.

Access Control & Time Attendance

NFC PROTOCOL Technology. And Time Attendance with Face Recognition. Increase security. Decrease human effort.

Solar Solutions

ADVANCE 4G INTEGRATED SOLAR CCTV SOLUTION Innovative Idea, No power & No cable. Remote monitoring and Remote Troubleshooting. Economical. Green energy solution.

Smart Lighting & Sensors

Micro wave & PIR Sensors. Saving energy, Economical, Stand alone sensor. APPLICATION: Staircase, Parking, warehouse, malls, home application.

Vehicle Surveillance

One of the Leading MSS suppliers and total solution widely applied in many industries like school bus, Police car, fire fighting.

Video Conferencing Hardware

Specialist on USB Video Conference Cameras & Audio Devices. Full Range to meet different applications. Adapt to Cloud Collaboration, Plug and Play Solution.

Fleet Management Solutions

This solution can realize the visual monitoring in transportation, from the start of the transportation to the end of it. Customers can check the status of their goods in the whole process.

Home Automation System

The Set includes Doorbell, Smoke Detector, Door Sensor, Infrared Alarm, Smart Socket, Gas Alarm, Smart Expander and IP Camera. Remotely control Camera to view any angle.

Exceptional American Electronics

Innovation For Sustainable Living!

AYRUS Unique Solutions

Smart City Solutions

Multiple Technologies integrated on single platform and manage from control room.
Facial Recognition Number Plate Recognition Video Red Light Violation Detection Perimeter Fence Detection Access Control Systems Intrusion Systems Video wall Systems etc.

AI Driven Vehicle Surveillance

Real Time Tracking
Data reporting at every 15sec
Economical Mileage
Statistic Fuel consumption
Read Diagnostic Data,
Vehicle speed, RPM, ECT

Solar 4G Cameras

ADVANCE 4G INTEGRATED SOLAR CCTV SOLUTION
Innovative Idea, No power & No cable.
Remote monitoring and Remote Troubleshooting.
Easy Installation, Anywhere, Anytime

Body Worn Cameras

4G Body worn camera with inbuilt GPS.
Industrial grade with Professional waterproof and dustproof design, IP67
Live streaming with remote monitoring.
Powerful CMS.

Intelligent Helmets

Explosion Proof Industrial Grade 4G intelligent Helmet. Two-way voice intercom.
Support life signs detection, heart rate, and steps count Body Temperature.
Supports: face recognition, face capture, helmet detection

Industrial Solutions

Explosion Proof Camera
Thermal Camera.
Marine Camera
Emergency Command Control solution
Industrial Grade Solar Solution
